SUMMARY

Biomedical Researcher & Educator with an MPhil in Zoology and a specialized focus on **biostatistical analysis and experimental design**. Experienced in managing research projects from laboratory inquiry to data synthesis using **SPSS and Mixed Models**. Proven ability to provide academic counseling and mentor students within the biological sciences. A clear communicator of technical findings, I am committed to supporting rigorous academic standards and contributing to collaborative research initiatives in an international setting.

EDUCATION AND TRAINING

Master of Philosophy in Zoology (MPhil)
University of Gujrat, Hafiz Hayat Campus, Pakistan [Nov 2022 – Dec 2024]
Final grade: CGPA: 3.77 / 4 (81%)
Thesis: Comparative Effects of Garlic and Ginger Essential Oils on Growth Performance, Tissue Redox Parameters and Immunity of Male Rabbit
Master of Sciences in Zoology (MSc)
University of Gujrat, Hafiz Hayat Campus, Pakistan [Oct 2019 – Oct 2021]
Bachelor of Sciences (BSc)
University of the Punjab, Pakistan [Oct 2017 – Oct 2019]

PROJECTS (*Academic & Research Experience*)

Lead Researcher: Garlic and Ginger Essential Oil Study (MPhil) | 2022 – 2024
Dual Benefits of Garlic Essential Oil: Superior Individual Efficacy and Enhanced Synergism with Ginger Essential Oil in Improving Growth, Liver Redox Activity, and Immunity in Rabbits (Under-review for publication)
[Department of Zoology, University of Gujrat, Pakistan, 14/03/2024 – 10/01/2025]
Research Assistant | 2022 – 2024
Dose- and Time-Dependent Biphasic Modulation of Physiological Responses by Poppy Seed Supplementation in Rabbits (Under-review for publication)
[Department of Zoology, University of Gujrat, Pakistan, 14/03/2024 – 10/01/2025]
Research Assistant | 2022 – 2024
Construction of CRISPR-CAS9 Cassette for Bacterial Genome Insertion through Homologous Recombination
[Department of Zoology, University of Gujrat, Pakistan, 10/02/2024 – 15/02/2025]

TECHNICAL & LABORATORY SKILLS

In Vivo Expertise: Advanced handling, surgical dosing, and ethical longitudinal monitoring of rabbit and murine models.
Laboratory & Assays: Hematological & biochemical profiling, ELISA, quantitative histomorphometry (ImageJ), microbial isolation, culturing and identification, bio-risk (Level-2) mitigation, mass spectrophotometry, FTIR, UV-vis spectroscopy, GC-MS, HPLC, Gel-electrophoresis, DNA& RNA extraction, RNA-seq, PCR, enzyme kinetics chromatography, gram staining, microscopy, microbial antioxidant assays, microtomy, histology, extraction and isolation of seeds.
Biostatistics & Computational: Expert proficiency in SPSS, Statistix and Python for complex modeling (Linear Mixed Models, Two-Way ANOVA) and data validation. Other includes Endnote, Mendeley, Microsoft Office, and ArcGIS.
Scientific Communication: Advanced scientific data visualization and publication-ready figure preparation utilizing Canva, Adobe Illustrator, Inkscape.

PROFESSIONAL EXPERIENCE

Research Assistant | Laboratory of Hematology & Immunology

Department of Zoology, University of Gujrat [**December 2024 – Continue**]

- Managed longitudinal in vivo trials on rabbit and murine models to evaluate the physiological and toxicological impacts of dietary herbal extracts.
- Conducted immunological assays (ELISA) to accurately quantify stress biomarkers and specific antibody titers.
- Performed precise histomorphometric tissue evaluations and quantitative measurements using ImageJ.
- Executed advanced biostatistical modeling (Two-Way ANOVA, Linear Mixed Models) using SPSS and Python.
- Co-authored manuscripts and designed software-based data visualizations for peer-reviewed journals (e.g., JAVAR).

ACCOUNT MANAGER
Onion Technologies [**July 2025 – Continue**]

- Manage full-cycle accounting including AP/AR, payroll, and general ledger maintenance
- Deliver accurate monthly and annual financial statements to support executive decisions.
- Optimized collection processes to increase liquidity and reduce outstanding debt.

EDUCATIONAL COUNSELOR
Dunya Consultants, Jhelum [**Jan 2025 – Jun 2025**]

- Provided strategic counseling to students on UK university selections and visa processes, achieving high success rates in Tier 4 visa approvals.
- Assisted students with meticulous preparation of UK visa documents (CAS, finances) and interview coaching for smooth application processes.

- Stayed abreast of UK immigration and university changes; conducted tailored one-on-one sessions aligning students' academics with career aspirations.

REMOTE CALL CENTER FRONTIER
Prime BPO, Rawalpindi **[Oct 2024 – Dec 2024]**

- Managed customer interactions remotely, showcasing adaptability in virtual communication.
- Addressed customer queries and issues effectively during 3-month remote tenure.
- Demonstrated self-motivation and comfort with remote work technologies.

E-COMMERCE BUSINESS MANAGER **[Feb 2023 - Continue]**

- Focused on driving sales, optimizing online presence, and enhancing customer experience.
- Oversaw ecommerce operations including marketing, inventory, and customer service for profitability.

TEACHER & ACTIVITY INCHARGE
Dar e Arqam Schools, Gujrat **[Mar 2022 – Nov 2022]**

- Delivered comprehensive lessons, fostering understanding and interest in the subject matter.
- Designed and implemented effective teaching strategies tailored to diverse learning needs.
- Assessed student performance and provided constructive feedback to encourage improvement.

SUBJECT TEACHER
Aims Science Academy, Gujrat **[Nov 2021 – Mar 2022]**

- Taught subjects to students at Aims Science Academy Gujrat focusing on academic understanding.
- Worked on enhancing student comprehension and participation in classes.
- Conducted science practical to reinforce theoretical concepts and promote hands-on learning.

SCIENTIFIC CONTENT WRITER **[2021 – Continue]**

- Translated complex biology, biotechnology, environmental science topics into clear content for diverse audiences.
- Authored well-researched articles, blogs, reports catering to academic and public readership.
- Reviewed and edited manuscripts ensuring scientific precision, grammar, structure per guidelines.

LANGUAGE SKILLS

English: Proficient (IELTS academic 6.5)
Urdu / Punjabi: Native/Bilingual

HONORS AND AWARDS

2nd Position Holder in Exhibition on Insect Ecology and Bio-waste management
[University of Gujrat, Hafiz Hayat Campus, Pakistan, 12/02/2023]
Certificate of Scholarship (PEEF) 2017 & 2019
[Govt. of Punjab, Pakistan, 2017 & 2019]
1st position in science model competition
[Govt. College for Women, Jhelum, Pakistan, 15/11/2018]

CONFERENCES & PROFESSIONAL DEVELOPMENT

MCE Webinar on Making Cell Therapy Affordable and Accessible: Off-the-Shelf CAR γδT Cells Generated Using CRISPR/AAV
[Virtual Mode, The Ohio State University, 22/10/2025]
Honor Certificate as Scholar Council Member
[ETERNO PRESS, 14/08/2025-31/12/2025]
International Webinar to Combat Human Malnutrition
[Hybrid Mode, Organized by University of Layyah Pakistan, HARRAN ÜNİVERSİTESİ Turkey, 12/01/2024]
Certificate of Participation in Thesis Poster Presentation Competition
[University of Gujrat, Hafiz Hayat Campus, Pakistan 2024]
Participant at 2nd International conference of Sciences
[Rawalpindi Women University, Pakistan, 15/11/2023]
Participate in seminar on Molecular Genetic Landscape of Oculocutaneous Albinism
[Department of Zoology, University of Gujrat, Hafiz Hayat Campus, Pakistan, 20/12/2022]
Certificate of Appreciation in Webinar on Water Conservation
[Active Citizenship Project by British Council, 12/04/2021]

TECHNICAL COMPETENCIES & TRAINING

Training on Bio-risk management
[Molecular Biology Lab, University of Gujrat, Hafiz Hayat Campus, Pakistan, 15/02/2023-16/02/2023]
Let's Break the Chain of COVID-19 Infection
[Mohammed Bin Rashid University of Medicine and Health Sciences, UAE, 19/04/2020]
E-commerce and Marketing Strategy
[Online from Onion.pk, Pakistan, 22/03/2024]
