RESEARCH PROFILE

MPhil-trained biomedical researcher (ranked in the top 5 of cohort) with a strong foundation in translating complex biological mechanisms into measurable health outcomes. Research experience is deeply grounded in in-vivo models, rigorous experimental design, biochemical and immunological profiling, histopathology, and advanced quantitative data analysis. Scientific focus centers on elucidating cellular pathways, host responses, and the efficacy of therapeutic interventions. This comprehensive wet-lab and analytical skill set is fundamentally structured to drive rigorous, cross-disciplinary research across translational medicine, pharmacology, and molecular biology.

EDUCATION AND TRAINING

Master of Philosophy in Zoology (MPhil)

University of Gujrat, Hafiz Hayat Campus, Pakistan

[15/11/2022– 27/12/2024]

Final grade: CGPA: **3.77 / 4** (81%)

Thesis: Comparative Effects of Garlic and Ginger Essential Oils on Growth Performance, Tissue Redox Parameters and Immunity of Male Rabbit

Master of Sciences in Zoology (MSc)

University of Gujrat, Hafiz Hayat Campus, Pakistan

[21/10/2019 – 29/07/2021]

Final grade: CGPA: **3.44/ 4** (75.67%)

Bachelor of Sciences (BSc)

University of the Punjab, Pakistan

[11/07/2017 – 07/08/2019]

Final grade: **524/800** (65.5%), **DIV I** (Zoology, Botany, Chemistry)

RESEARCH EXPERIENCE

Research Projects:

1. Effects Of Pumpkin Seed Essential Oil on Reproductive Hormones and Histopathology of Testis and Ovaries of Rabbits

[Department of Zoology, University of Gujrat, Pakistan, 17/11/2025 – Continue]

Role: Investigation, Methodology, Statistical Validation. Optimized ELISA protocols for reproductive hormones and performed tissue histopathology.

2. Effect of Bottle Gourd (*Lagenaria Siceraria*) Seed Powder on Growth, Lipid Profile, Hematological, and

Tissue Redox Parameters of Rabbit

[Department of Zoology, University of Gujrat, Pakistan, 12/01/2026 – Continue]

Role: Investigation, Statistical Analysis, Supervision. Conducted growth trials, hematology and hepatic antioxidant assays.

3. Effect of Ajwain Powder (*Trachyspermum Ammi*) on Gut Microbiome, Blood Profile, and Immunity of Rabbit

[Department of Zoology, University of Gujrat, Pakistan, 04/02/2026 – Continue]

Role: Investigation, Statistical Validation. Processed gut microbiota samples and performed immune ELISAs to assess host-microbe interactions.

4. Construction of CRISPR-CAS9 Cassette for Bacterial Genome Insertion Through Homologous Recombination

[Department of Zoology, University of Gujrat, Pakistan, 02/05/2024 – 06/11/2024]

Role: Methodology. Assisted in molecular design and validation of CRISPR-Cas cassettes.

PROFESSIONAL EXPERIENCE

Research Assistant | Laboratory of Animal Physiology, Hematology & Immunology

Department of Zoology, University of Gujrat

[02/09/2024 – Current]

Spearheaded in vivo pharmacological trials and advanced immunological assays. Applied complex biostatistical modeling to analyze translational medicine data, resulting in co-authored, peer-reviewed biomedical publications and refined research proposals.

TEACHER & ACTIVITY INCHARGE

Dar e Arqam Schools, Gujrat

[01/03/2022 – 30/11/2022]

Designed structured educational modules and applied analytical assessment strategies to track student academic progress.

SUBJECT TEACHER

Aims Science Academy, Gujrat

[01/11/2021 – 31/03/2022]

Instructed foundational science coursework and mentored students during laboratory practicals, emphasizing correct experimental methodologies, biological mechanisms, and accurate data collection.

CONFERENCE PRESENTATIONS, AWARDS AND RELEVANT TRAINING

Conference Presentations & Seminars:

Certificate of Participation in Thesis Poster Presentation Competition

[University of Gujrat, Hafiz Hayat Campus, Pakistan, 24/09/2024]

Participant at 2nd International Conference of Sciences

[Rawalpindi Women University, Pakistan, 15/11/2023]

Participate in Seminar on Molecular Genetic Landscape of Oculocutaneous Albinism

[Department of Zoology, University of Gujrat, Hafiz Hayat Campus, Pakistan, 20/12/2022]

Awards & Honors:

Honor Certificate as Scholar Council Member

[ETERNO PRESS, 14/08/2025-31/12/2025]

Awarded with Laptop via Merit-based Laptop Scheme

[Government of Pakistan, Prime Minister Youth Laptop Scheme, 07/09/2023]

2nd Position Holder in Exhibition on Insect Ecology and Bio-waste Management

[University of Gujrat, Hafiz Hayat Campus, Pakistan, 12/02/2023]

Certificate of Scholarship (PEEF) 2017 & 2019

[Govt. of Punjab, Pakistan, 2017 & 2019]

1st Position in Science Model Competition

[Govt. College for Women, Jhelum, Pakistan, 15/11/2018]

Trainings (Workshops & Bootcamps):

Workshop 104 "Nutrition Across the Preterm Spectrum: Prevention, Care, and Feeding Management"

[Nestlé Nutrition Institute (NNI) & Wyeth Nutrition Science Center, Istanbul, 09/09/2026-11/09/2026]

2-Days Molecular Docking Workshop

[SKI PLUS INTERNATIONAL, 29/08/2026-30/08/2026]

2-Days Bioinformatics Workshop

[SKI PLUS INTERNATIONAL, 19/08/2026-20/08/2026]

Sanger DNA Sequencing Data Analysis Bootcamp: Learn, Analyze & Interpret

[Center for Scientific Approaches, Pakistan, 15/08/2026-30/08/2026]

Training on Bio-risk Management

[Molecular Biology Lab, University of Gujrat, Hafiz Hayat Campus, Pakistan, 15/02/2023-16/02/2023]

Let's Break the Chain of COVID-19 Infection

[Mohammed Bin Rashid University of Medicine and Health Sciences, UAE, 19/04/2020]

Webinars:

Webinar: AI assisted data analysis and freelancing opportunities for students

[Center for Scientific Approaches, Pakistan, 12/09/2026]

Online Webinar: Research Simplified: A Step-by-Step Guide from Data Collection to Journal Acceptance

[LMIE Organisation, 06/09/2026]

Hold and Kill: An Integrated Assay Strategy for RIPTAC, an Emerging Induced-Proximity Modality

[Promega Educational Events and ICE Bioscience, 02/09/2026]

Webinar: Antimicrobial Resistance (AMR)

[ScientificHubX, 29/08/2026]

Webinar on Meta Analysis in Research: A Practical Guide

[Pakistan Scientific and Technological Information Centre (PASTIC) & Pakistan Science Foundation (PSF), 27/08/2026]

Webinar: HIV Awareness: Prevention, Early Detection, and Ending Stigma

[ScientificHubX, 26/08/2026]

Webinar: Effective Crime Scene Response for First Responders

[Center for Scientific Approaches, Pakistan, 23/08/2026]

Webinar: Laboratory Management & ISO/IEC 17025 Compliance

[Center for Scientific Approaches, Pakistan, 23/08/2026]

Webinar: From Biological Sample to DNA Sequence: A Complete Laboratory Workflow

[Center for Scientific Approaches, Pakistan, 15/08/2026]

MCE Webinar on Making Cell Therapy Affordable and Accessible: Off-the-Shelf CAR $\gamma\delta$ T Cells Generated Using CRISPR/AAV

[Virtual Mode, The Ohio State University, 22/10/2025]

International Webinar to Combat Human Malnutrition

[Hybrid Mode, Organized by University of Layyah Pakistan, HARRAN ÜNİVERSİTESİ Turkey, 12/01/2024]

Certificate of Appreciation in Webinar on Water Conservation

[Active Citizenship Project by British Council, 12/04/2021]

TECHNICAL AND LABORATORY SKILLS

In vivo Expertise: Rabbit and murine model handling; surgical procedures, dose administration, ethical animal care, longitudinal monitoring, and growth and metabolic biometric assessment.

Proficient / Independent Wet-Lab Techniques: PCR; UV-Vis spectroscopy; histology, microscopy, microtomy, and quantitative histomorphometry; ultracentrifugation; homogenization; plant extraction; ELISA; hematological and biochemical profiling; microbial isolation, culture, identification, and Gram staining; antioxidant assays; gel electrophoresis; enzyme kinetics and Biosafety Level-2 risk mitigation.

Biostatistics & Digital Skills: SPSS, Statistix, Python, EndNote, Mendeley, Microsoft Office, ArcGIS, Adobe Illustrator, Inkscape, and Canva.

Academic Exposure: HPLC; FTIR; GC and GC-MS; LC-MS/MS; chromatography; DNA and RNA techniques, qPCR, and RNA extraction; database retrieval; mammalian cell culture; and Western blotting.

ADDITIONAL EXPERIENCE

ACCOUNT MANAGER

Benzyo Technologies**[01/07/2025 – 07/06/2026]**

Managed complex datasets and generated precise analytical reports, demonstrating strong quantitative data handling and organizational skills.

EDUCATIONAL COUNSELOR**Dunya Consultants, Jhelum****[01/01/2025 – 30/06/2025]**

Mentored candidates through academic pathways and rigorously reviewed documentation for university admissions compliance.

REMOTE CALL CENTER FRONTIER**Prime BPO, Rawalpindi****[01/10/2024 – 31/12/2024]**

Developed robust professional communication and rapid problem-solving skills in high-pressure, client-facing environments.

E-COMMERCE BUSINESS MANAGER**[01/02/2023 – Current]**

Directed operational logistics and utilized analytical tracking tools to monitor performance metrics and optimize project workflows.

SCIENTIFIC CONTENT WRITER**[01/01/2021 – Current]**

Authored, formatted, and rigorously edited biomedical manuscripts, research proposals, and scientific literature reviews. Synthesized complex pharmacological and biological data for academic correspondence and publishing.

E-commerce and Marketing Strategy**Online from Onion.pk, Pakistan****[22/03/2024]**

Completed specialized training in digital market analysis and strategic planning to enhance online outreach and project engagement.

LANGUAGE SKILLS

English: Proficient (IELTS Academic **6.5**)

[LISTENING **C1**, READING **B2**, WRITING **B2**, SPOKEN PRODUCTION **B2**, SPOKEN INTERACTION **B2**]

Urdu / Punjabi: Native/Bilingual
